Heath Village is proud to introduce its 14 new "employees" for this year's *Take Our Daughters and Sons to Work Day*. The retirement community has been participating in this annual event since 2007. It is a program that both staff and their children always enjoy.

The day began with employees delivering their children bright and early to the Heath Village Board Room where they had an "official" ID badge prepared for them by Human Resources. Our "employees" then set off for a tour of the Village and their scheduled meetings with staff members from different departments, including nursing, dining and rehabilitation. Their day also included participating in a fun music session and exciting word games with our health care residents. The program concluded with a special luncheon for the children and their parent featuring pizza and dessert handmade by our "employees" during their stop in dining services earlier in the day.

Heath Village Retirement Community is proud to celebrate and participate in this worthwhile and nationally recognized day.

Heath Village is a full-service retirement community located at 430 Schooley's Mountain Road in Washington Township, Morris County. For further information, please call 908-852-4801 or visit us on our website at www.heathvillage.com. Like us on Facebook at www.facebook.com/heathvillage.
