“Another Sunset, Another Surprise”

Heath Village introduces its newest Artist-in-Residence

Washington Township, NJ – Heath Village is very excited to introduce its new *Artist-in-Residence* Jean Baird. Formerly of Chatham, Jean (along with her husband George) moved to Heath Village in 2006.

Jean has been snapping pictures since she was a child, mostly of family and her travels. Moving to Heath Village ten years ago offered new options. Having never lived with so much sky before, she understands why it is called big sky country with good reason. Her stunning photographs are the result of her passion for chasing sunsets down the hill from their apartment in the woods. And, after a move to another apartment facing west, chasing sunsets became more of an obsession.

Jean has named her exhibit “Another Sunset, Another Surprise”, keeping in mind that sunsets seem as unlike each other as thumb prints, and surprises are equally varied.

For questions about the exhibit or to schedule a time to visit the gallery, please contact Melissa Nichols at 908-684-5006.
