Benefitting

THE CLARENCE W. SICKLES
FRIENDSHIP FUND

Inspired by a single gift from a concerned resident, the Friendship Fund was established in 1971 through a joint effort between residents and the Board of Trustees to help residents facing financial hardship continue to live fulfilling lives here at the Village. Close to \$12.7 million in assistance has been expended for residents since the inception of the Fund.

As we celebrate our 55th anniversary this year, it seemed appropriate to remember and reflect upon our founder Clarence W. Sickles' remarks in his invocation at our celebration five years ago.

“Especially thankful are we for the leadership of the competent and dedicated Heath Village Board of Trustees, for the high measure of service provided by well trained and proficient staff, for the happy and high quality of life of the residents who are delighted to call Heath Village home, and for their supportive families, for the loving volunteers who add another dimension to our enjoyable life at Heath Village, for the many contractors and service organizations who provide help in enabling Heath Village to operate efficiently, and for those responsible for financial decisions to make fiscal soundness a reality.”
