#### **Starring: Katherine Hepburn and Cary Grant**

Paleontologist but absentminded Grant needs a clavicle to complete his Brontosaurus Skeleton. What he gets (to his surprise) is a scatterbrained madcap heiress (Hepburn) who falls in love with him. Included in this wild romp is a dog, a pet leopard named Baby, a nosy rich society matron and a caretaker on the drink. Grant wears a negligee; Hepburn wears a bottomless evening gown and all wind up in jail. She makes a shamble of his life to say the least. A wonderful laughing slapstick induced movie. A funny funny film with wonderful performances by all. Also with Charlie Ruggles, Barry Fitzgerald, May Robson, Ward Bond, Walter Catlett and Fritz Feld. RKO RADIO PICTURES.
