Heath Village Named Best Nursing Home

Washington Township -- Heath Village Retirement Community is pleased to announce that it has once again earned the “High Performing” rating, the highest possible achievement by *U.S. News & World Report*, making it among the elite of U.S. skilled nursing facilities.

U.S. News gives the designation of Best Nursing Home only to those homes that satisfy U.S. News’s assessment of the appropriate use of key services and consistent performance in quality measures.

Since their inception in 2009, the U.S. News Best Nursing Home ratings have relied on data from Nursing Home Compare, a program run by the Centers for Medicare & Medicaid Services (CMS), the federal agency that sets and enforces standards for nursing homes.

To be recognized as one of the 2025 U.S. News Best Nursing Homes, a home must have been “High Performing” in short-term rehabilitation, long-term care, or both.
