

Nature Walk & Outdoor Luncheon

at

HEATH VILLAGE

Tuesday, July 28th at 10:00 am (rain date: Thursday, July 30th)

Join members of our Resident Hiking Club for a guided walking tour along one of our scenic woodchipped nature trails and experience firsthand the beauty that makes Heath Village so special.

During the walk, you'll learn about the multiple trails located on and adjacent to our beautiful 100+ acre campus. Our resident naturalist will also be available to answer questions about the woodlands, birds, butterflies, and natural surroundings that make our community unique.

The walk will include a tour of an apartment on our upper campus, where the hiking trails meet our backyard, along with the opportunity to explore many of the popular outdoor amenities enjoyed by our residents.

Plus, learn about the exciting future of Heath Village with our new Independent Living Expansion. Discover how we are growing while continuing the lifestyle, comfort, and connection our residents already know and love.

We'll conclude our hike with a delicious outdoor luncheon and time to relax and connect.

There will be plenty of stops along the way during our LOW-INTENSITY WALK!
