Residents and Friendship Center students take part in a  
Maple Tapping Demonstration***

*Heath Village Resident Arlene Bailey  
& FC student Kathleen Conner (4 years old, Byram)*

**Washington Twp, NJ** - Friendship Center children and Heath Village residents recently participated in a maple tapping demonstration presented by Kevin Newport, Heath Village Director of Grounds. Children were able to see how a tree is tapped for maple sugar and hear more about the process of how maple syrup is produced. This is a great example of the wonderful intergenerational programs that Jennifer Jensen, Director of The Friendship Center at Schooley's Mountain Road coordinates with the residents at Heath Village. To learn more about the Friendship Center, please contact Jennifer at 908-852-2221.
